This term our Collective Worship theme is **COMMUNITY**

*'Live in harmony with one another' Romans 12v16*

Today we had a wonderful day in school celebrating Uganda. The children learnt about what life might be like in a Ugandan school using the materials from the 'Child of Hope' charity. The children enjoyed singing songs, learning Ugandan words and engaging in challenges. **So far, we have raised £149.50!** During the day I asked several children about their reflections and how it has impacted them.....

*"One of the activities made me realise how ridiculously lucky I am."*

*"It helps us to focus on something other than us and made us more aware."*

*"It's helped me appreciate what I have."*

## Well done gardening club!

A huge thank you to our amazing gardening club, Mrs Dunford, Mrs Lott, Mrs White and Mrs Dunn for all your hard work with looking after our school garden. The produce sale was a huge success....some of the vegetables were enormous! Thank you to all the parents who supported us by buying produce. The money raised has been put straight back into the gardening fund for buying seeds and compost for next year!

## Support for wellbeing and mental health

Wiltshire Council run an emotional and well being service which offers support, advice and guidance about how to help children and young people who are facing the challenges of emotional health difficulties. Please follow this link [Emotional Wellbeing Service](#) CAMHS (Child & Adolescent Mental Health Service) also offer advice and support for children who are finding it hard to cope with every day. For more information follow this link [CAMHS](#)

**SAFEGUARDING** *At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.*

At the start of the school year all children receive lessons about the PANTS rules utilising the NSPCC materials. We re-visit this learning throughout the year. We would encourage parents to reinforce these rules through discussions at home.

- Privates are private
- Always remember your body belongs to you
- No means no
- Talk about secrets which upset you
- Speak up, someone can help

For more information and to listen to the stories and songs, please follow this link [NSPCC PANTS](#)

Best wishes  
Heather Luft(Headteacher)
