'Learn to do right. Seek Justice.' Isaiah 1v17

Huge congratulations to our Ducklings, Cygnets and Barn Owls for performing such a superb Nativity. We are so proud of each and every one of them. I am sure parents will be humming the tunes for weeks! Our friend Caroline White will be taking professional photographs next week. Parents will be offered the opportunity to purchase these.

As you know we received the OFSTED call on Monday. The two inspectors spent Tuesday and Wednesday in school rigorously inspecting five areas: the Quality of Education, Leadership & Management, Behaviour and Attitudes, Personal Development and Early Years. Schools no longer receive an overall grade but are graded in each of these five areas. The full report will be shared with parents when we receive it, most probably, after Christmas.

Thank you so much to all the parents who have shared kind messages, treats for the staffroom and lovely emails; we really appreciate your support.

SAFEGUARDING *At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.*

At the recent online safety parent workshop advice was shared about the dangers of sharing pictures/photos of our own children via social media. During the workshop we watched an impactful video about the increase in AI generated and/or digitally manipulated images. Here is some helpful guidance [NSPCC- sharing photos](#)

Please be reassured, in line with our policy, if/when the school shares photos, no full names are
