This term our Collective Worship theme is **HOPE**  
*'For those who hope in the Lord will renew their strength' Isaiah 40v31*

## This week

### Launceston Farm

Our Ducklings had a very exciting visit to Launceston Farm where the children spotted pigs and horses and investigated which tiny animals inhabited the pond. The children learnt about different crops and saw how the wheat can be made into flour. In groups they made bread and enjoyed an ice cream at the end of their day.

### Knowle farm

Today Year 2 had a wonderful time at Knowle Farm. The adventure started with a tractor trailer ride and a snack then onto various locations to explore the landscape and spot wildlife. We saw sheep, new baby lambs, cows and even field mice! We are so grateful to the Mann family who hosted us so well and shared such interesting information about this local farm. We hope to visit again and begin to look at changes in the environment over time.

### Butterflies

As part of their Science learning, our Dragonflies have been observing caterpillars transform into butterflies. On Wednesday Year 5 released their butterflies. The children really enjoyed this experience and even named their butterflies... 'Gary' was definitely my favourite! !!

Just a reminder on **Thursday 8<sup>th</sup> May** all of the children will be involved in a cricket festival held within the school. Please can all pupils arrive in full PE kit.

**SAFEGUARDING** *At Broad Chalke, keeping children safe is always a priority and our safeguarding duty.*

*The purpose of these weekly updates is to raise awareness and support you as parents.*

With the warmer weather hopefully here to stay we just wanted to remind parents about sun safety. Please ensure children bring into school a named hat, full water bottle and have sunscreen applied before arriving at school. Thank you.

**A Big Thank you to FOBS for arranging the Mini Chalke Valley Challenge**

We hope you have a really lovely bank holiday weekend in the sunshine

Best wishes

Heather Luft

(Headteacher)
