This term our Collective Worship theme is **HOPE**

'For those who hope in the Lord will renew their strength' Isaiah 40v31

STEM WEEK 2025

A huge **THANK YOU** to all the parents and members of the community who supported our week of learning and experiences which have included the following:

Birds of Prey visit, visits from Dr Farrimond, Senior who is NASA trained, Mr Farrimond, a test pilot instructor who served with the armed forces, Mrs Webster talked about coastal science and finance to Y5 & 6 and Mr Allen who spoke about aircraft. The children have had a brilliantly memorable week.

Thank you also to Mrs Dunford for organising the week.

SAFEGUARDING At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.

QR codes have become a convenient part of everyday life—but they also carry hidden risks. A recent Sky News investigation revealed that cyber criminals and organised crime groups are using QR code stickers across UK streets including car parks and potentially near schools.

To stay safe, only scan QR codes from trusted sources, avoid using third party scanning apps and double-check links before following them. Suspicious QR codes should be reported to Action Fraud at [QR Codes | Action Fraud](#)

Following the sad news that Katie Moriarty is leaving us in July, I am delighted to announce our new SENDCo will be Mrs Robyn Coe. Robyn is a very experienced class teacher and has been teaching in Year 2 this year. She was part of the leadership team who started St Peter's Primary School. We are delighted with this appointment. Robyn will be working closely with Katie next term to ensure a smooth and seamless transition.

Best wishes
Heather Luft
(Headteacher)

Well done to all the Mini Marathon participants...You were AMAZING! Our Team results were: Boys Under 9's ranked 3rd place, Girls Unders 9s ranked 3rd place and our Girls Under 11s ranked FIRST!!!!
Also, congratulations and well done to the CVC participants. FOBS will give an update regarding the winners and amount raised next term.
