This week at Broad Chalke

Pirate fun!

Our Ducklings had a surprise on Tuesday when they found a message in a bottle delivered by a pirate! This week they have enjoyed making different items a pirate might need and exploring pirate maps! Lots of exciting learning and events are planned for next week....watch this space!

Kingfisher trip

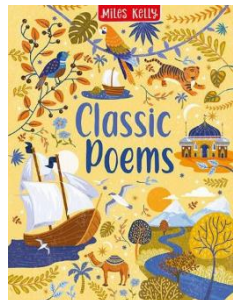

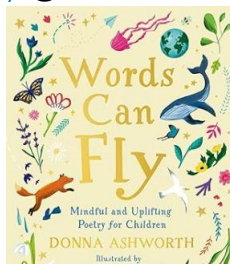

Our Kingfishers had a wonderful day at the Lyme Regis Museum. The children were able to gather lots of information about Mary Anning and loved exploring the fossils. Well done Kingfishers! Many thanks to Mrs Dunford for organising the trip and to the lovely parent helpers.

Performance Poetry

Thank you to everyone who learnt a poem in readiness for our Performance Poetry event. We were so impressed with all those who performed today. Huge congratulations! I know the judges found it really tricky to choose the ultimate winners. Thank you to Miss Patterson for organising this memorable event.

Following our focus on poetry this week- here are a few book-link recommendations to enjoy poems at home as a family 😊

SAFEGUARDING At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.

TikTok is becoming increasingly popular among children and adults. Ofcom have dubbed it the most likely app on which children/teen users would potentially suffer harm. It is really important that parents understand the risks it poses. Please find attached to this newsletter a guide which informs you of the potential dangers associated and offers advice.

Chalke Valley Playschool

Please find attached to this newsletter a flyer for Chalke Valley Playschool. They currently have spaces so if you are interested in registering your child please contact Hannah at manager@chalkevalleyplayschool.co.uk

Best wishes
