This term our Collective Worship theme is **Joy**
'Rejoice with those who rejoice' Romans 12v15

This week at Broad Chalke

RE learning in Year 1

This week our Cygnets were learning more about the Jewish faith. As part of their learning the children made built 'sukkah' today. This is a 3 sided shelter with sticks for a roof. Jewish people build them each year at 'Sukkot' to help them remember when their ancestors were freed from slavery and walked and slept in the desert for many years, building shelters to protect them.

Transition

Last week, our Dragonflies were kindly invited to an experience day at Sarum Academy. As part of the day the children enjoyed different learning opportunities including Art, Science and English. Days like these are so helpful in supporting pupils to transition positively to secondary school.

This week, all of our pupils enjoyed spending some time in their new class and with their new teacher.

Our Year 6 pupils enjoyed their induction day at their new secondary school.

Exciting news in the Duckling Class.....the ducklings have hatched!!!

The children are currently voting on names....watch this space!

SAFEGUARDING

At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.

Punctuality Matters

As you know, regular attendance is vital for every child's success at school. We're pleased to see growing awareness of this across our school community—thank you for your continued support.

However, we've noticed a number of pupils are arriving late, which means they're missing out on valuable learning time and the opportunity to settle in with their classmates. Arriving late can make it more difficult for children to adjust to the school day and fully engage with their learning.

Our school doors open at **8:45am**, and this is an important part of the day. At this time, children are warmly welcomed by their class teacher and provided with a **'start of the day' activity** designed to help them transition smoothly into the school environment.

We kindly ask for your support in ensuring your child arrives on time each day, ready to learn and take full advantage of

Parents are warmly invited to Sports Day on Wednesday 9th July at 1.30pm. Parents are invited to wear their children's house colour 😊 Don't forget there will be a parent race so get limbering up over the weekend!!

Best wishes
Heather Luft
(Headteacher)

We currently have a few pupil places across the school....do you know anyone moving to the area? **Please ask them to contact the school office for a tour.**

Chalke Valley Playschool also has some available spaces- please contact Hannah on manager@chalkevalleyplayschool.co.uk

Well done to **Mother Teresa** House Team for achieving 99 House points!
This week you are the winners!
