This term our Collective Worship theme is **Joy**

'Rejoice with those who rejoice' Romans 12v15

This week at Broad Chalke

Fantastic Sports day

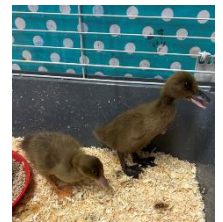

Huge **congratulations** to all children for the brilliant determination and perseverance you showed at our annual Sports Day...especially in the extreme heat. A big **thank you** to Mrs Ramage for organising the day and to all the staff for supporting. Also, well done to all the toddlers and parents who competed- we hope your muscles are not too achy!

Parliament Visit

As part of the Dragonflies' history learning about the Ancient Greeks and democracy, the class had a visit from Tomas Williams (the Senior Education and Engagement Officer) from the UK Parliament, who led an assembly about our British Parliament. He talked about democracy, parliament, how it is run and how decisions made there affect all of us. The children also had the opportunity to ask questions.

Duckling update....our two new members of Broad Chalke have now been named by our Reception children... wait for it....**Fluffball and Fluff!** They are so cute and children and adults from around the school are enjoying sneaky visits! This week the ducklings enjoyed their first swim!

Broad Chalke Exciting News.....Lovely Miss Patterson is getting married over the summer holiday. She will be returning, in September, as **Mrs Woolfe**. I am sure you will join us in wishing her and her soon-to-be husband all the best for the celebrations and as they start their marriage together.

Year 6 Leavers' Service

Our Year 6 parents are invited to All Saints Church (Broad Chalke) at 1.45pm on 22nd July. Year 6 children (and siblings) may be taken home directly from the church. All other children will be walking back to school for the usual pick-up routine.

SAFEGUARDING

At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.

Building on our safeguarding recent safeguarding features about sunsafety- this week we want to raise awareness about the signs and symptoms of HEAT EXHAUSTION & HEAT STROKE. Please follow this link to the NHS website which also shares things you can do to prevent and treat Heat Stroke and Heat exhaustion.
