This term our Collective Worship theme is **Respect**

*'Do to others as you would have them do to you! Matthew 7v12*

## This week at Broad Chalke

It has been lovely to welcome back our pupils and staff and hear all about their exciting, summer adventures.

This week we have been revisiting our behaviour expectations and placing a strong focus on our core Christian Values '**Respect, Resilience, Hope and Love**'. We believe that helping pupils understand what these values look like in everyday actions will support them not only in school but throughout life.

To celebrate and encourage this, we have launched **BROAD CHALKE SUPER HEROES!** Each week one pupil from each class will be awarded a certificate for demonstrating our values in action. Their names will be proudly displayed on our new Super Heroes display and they'll enjoy a special hot chocolate treat with Crumble!

## Meet the Teacher and Information Sessions

Starting next week, Year1-6 teachers will be leading parent information sessions. These meetings will be an opportunity for the teacher to share valuable information about the year ahead. All sessions will start at 2.30pm in your child's classroom (please enter via the classroom door). Due to work commitments, we are aware some parents might find this time difficult. Please be assured the powerpoint will be shared via Seesaw after the event.

**Wednesday 10<sup>th</sup> September- Y2**

**Friday 12<sup>th</sup> September -Y4**

**Tuesday 16<sup>th</sup> September -Y5**

**Thursday 11<sup>th</sup> September- Y3**

**Monday 15<sup>th</sup> September- Y1**

**Wednesday 17<sup>th</sup> September -Y6**

## Healthy Snacks

Pupils have been reminded today that **only healthy snacks should be eaten at breaktimes.**

Please also ensure only water is put in children's water bottles as they sip from these throughout the day.

Thank you.

**SAFEGUARDING** *At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.*

As part of our staff INSET training, earlier in the week, we welcomed a visiting speaker who talked about child behaviour and trauma informed practice. As part of the day we learnt more about the importance of healthy boundaries, supporting children with anxiety and how to help children grow in resilience. The following link will take you to the Young Minds Website which shares helpful guidance about how to manage challenging behaviour, establishing boundaries and how to talk to your child about what they are trying to communicate through their behaviour [Young Minds- Behaviour](#)

Best wishes  
Heather Luft  
(Headteacher)

**Broad Chalke Primary School is now on  
Facebook and Instagram**
