This term our Collective Worship theme is **JUSTICE**

'Learn to do right. Seek Justice.' Isaiah 1v17

This week at Broad Chalke

Remembrance

This year we held our annual Remembrance Service at the War Memorial in the village. Reverend Alison led the service; it was lovely to welcome our Chair of Governors and local residents to the service as well. The children have shown a deepening understanding of how important it is for us to honour and remember all servicemen and women.

Music Enrichment

On Tuesday we welcomed two folk musicians to the school to lead a workshop. John and Heidi introduced us to different types of music and how four instruments (violin, viola, harpsichord & harp) can be played to make high and low sounds. We also learnt to sing a Sea Shanty and practised some Morris dancing steps! It was such a fun time.

Anti-Bullying Week As part of our Anti-Bullying week we held an odd socks day on Tuesday which raised the profile of our uniqueness and celebrating difference. During the week all children engaged in lessons which challenge and support children with how to interact positively with others.

Stonehenge Visit

As part of their History learning this term our Kingfishers have enjoyed a fantastic visit to Stonehenge. During their day they spent time in the museum, learnt about different types of stone and arrow heads. They also had the opportunity to sketch. A big thank you to the parents who supported this trip.

OFSTED

As you know, we are still waiting for 'the call'. The OFSTED handbook confirms we will have our inspection before Christmas. As soon as we know, we will inform parents.

SAFEGUARDING At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.

Thank you to all the parents who attended the e-safety and cyber awareness workshop. I am really grateful to the police team for their leading such an informative and helpful workshop. Attached to this newsletter is some information shared which outlines top tips for staying secure online. **Simon and Jonathan directed us, as, parents to the following websites for Guidance about how to keep our children safe online; these can also be found on the website.**
