

Summer Raffle

Following the cancellation of the Car Boot Sale, we are holding a Summer Raffle with TEN 'Big Buckets of Beverages' up for grabs!

We received an overwhelmingly generous (and impressive!) collection of bottles from the non-school uniform day, and we are therefore redirecting our fundraising to hold a Summer Raffle with the chance to win a 'big bucket of beverages', which contain an array of alcoholic drinks - with the likes of Pimms, Prosecco, Red/White/Rose Wines and much MUCH more in each one! There are 2 large and 8 standard buckets waiting to be won and kick off your summer in style.

Next week, please look out for presale raffle tickets for purchase, which will be sent home in book bags in a similar fashion to the Christmas hamper raffle.

Sports Day Tombola

In addition to the Summer Raffle, to give the children their bit of fun, we will hold a non-alcoholic bottle tombola after Sports Day. Do come and visit us at the front of school once you have collected your children.

Mini Chalke Valley Challenge

As announced by Rosie in a Classlist post last week, the Mini CVC raised a super fantastic £916.16 through a combination of entry fees, sponsorship and cake/drinks sales! We believe all the children's successes have also been celebrated in assembly..... a huge well done to all.

AGM *NEXT WEEK* - Friday 27th June 2025

Pleeeeeeeeeease pop the date firmly in your diary to shape the FoBS Committee of 2025/6! If you wish to be a part of the committee, please see the further information overleaf regarding roles, and how to apply for any position.

A *minimum* of 20 people will be required to attend this meeting in order to meet quorum and enable the continuation all the fun that goes on to support our children. Please join us to help achieve this.

Thank you to those who supported our plant sale today.... happy gardening!

From The Friends of BC School Team
