## Ducklings

Our Ducklings have settled brilliantly into the new school routines and expectations. This week they were introduced to *Rainbow Challenges*—a series of purposeful activities designed to support their development across key learning areas. To encourage independence, the children are free to choose the order in which they complete each challenge. We are very proud of our lovely Ducklings 😊

## Show and Tell

Our Cygnets had an exciting show and tell this week when a pony visited the school! The class asked lots of interesting questions- thank you to Mrs Badham for organising the visit 😊

## iSing Pop

Our Woodpeckers enjoyed a music workshop on Monday led by a member of the iSing Pop Team. The children learnt 5 songs which they will perform, together with all Year 4 pupils from DSAT schools, at the Cathedral on 22<sup>nd</sup> October. Well done Woodpeckers,

## New Website

Today our new website has been re-launched and re-freshed so please do take a look 😊  
*If you are viewing the site on a PC or laptop, it has been advised to carry out a 'hard refresh' when first visiting the URL (CTRL + F5 / CMD, SHIFT + R)*

## Forest Fun Help Needed!

To support our Forest Fun sessions, we're hoping to secure the wooden logs into the ground and erect a wooden post to create a shelter for the children. **If you have the skills or experience to help us with this, please speak to Andi or Tracey—we'd be very grateful!**

Mrs Rawlinson is collecting **clean, dry pine cones** (that haven't been nibbled!) and **feathers** that are **clean, dry, and at least 10cm long**. If you're out enjoying the countryside and spot any, please pop them into the collection boxes at the front of the school. Thank you for your support!

**SAFEGUARDING** *At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.*

At the start of every term, we deliver dedicated online safety lessons to all our pupils. These sessions are designed to remind children of the importance of staying safe online and equip them with the knowledge and skills to navigate the digital world responsibly.

We encourage parents and carers to continue these conversations at home.

To support you, here are some helpful websites with up-to-date advice and resources:

- ThinkUKnow – Guidance from the National Crime Agency on keeping children safe online.
- Childnet – Practical tips and conversation starters for families.
- Internet Matters – Age-specific advice and tools for managing online safety.
- NSPCC Online Safety – Expert advice on topics like social media, gaming, and parental controls.
