SAFEGUARDING *At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.*

Healthy Eating

At Broad Chalke, we believe that healthy eating plays a vital role in supporting children's learning and overall wellbeing. We encourage pupils to make balanced food choices and understand the importance of nutrition for energy, concentration, and growth. Please can we gently remind parents to send a 'healthy snack' into school for their children to enjoy at playtime. All EYFS and KS1 children are offered fruit.

Our suggested healthy snacks are: Fruit, vegetable sticks, cheese cubes/sticks, oat based snack bars (low sugar), plain popcorn or rice cakes (*please note we are a nut free school*) Please also, remember to send in a filled water bottle every day. Thank you.

Weather

With the chilly weather set to last- please ensure children are wearing appropriate clothes to keep them warm- thank you

We currently have pupil spaces in most year groups. If you know someone who is moving and needs a school place, please let them know they can apply via the Wiltshire Admissions Website.

As part of our usual practice, next week Y1-5 will be taking assessments in English and Maths. These assessments help teachers to identify gaps in learning and ensure their planning addresses these gaps.

Best wishes
