This week in school

Dogs Trust

This week we welcomed back Vicky from The Dogs Trust to lead a whole school assembly and class workshops with the children. The workshops were focussed on developing the children's knowledge and skills so they can interact safely with dogs both at home and in other settings.

Perseverance

As you know, this term the whole school has been thinking about and reflecting on the Christian value PERSEVERANCE. For the last few weeks, our Collective Worship Ambassadors have met with Becks, our Chaplain, to plan and prepare their own Collective Worship. The team used the Bible story David and Goliath and showed off their superb acting skills! Well done team 😊

Thank you so much to FOBS, parents and staff for supporting the disco last night. The children had a fantastic time

SAFEGUARDING At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.

On Tuesday it was National Safer Internet day. Our brilliant e-safety team led a whole school assembly and visited classes to answer questions about how to stay safe online. Every class was reminded about the SMART rules for for online safety which apply in school and at home.
