

Spring has been springing.... and here springs our Brand New Logo!!!.....

A Starry, Starry Night

The skies were clear, conditions were perfect and with a rare planetary parade on the cards we were in for a phenomenal night of observing! With the naked eye we saw Mercury (a rare sight!), and through scopes we dived deep into space, witnessing Jupiter and some of its orbiting moons, Uranus, the Andromeda galaxy and the Orion Nebula. There were some very inspired children and adults alike, with some budding astronomers in the making! Thank you so much to the Chasing Stars team of volunteers who so generously gave up their time to provide us with such a spectacular evening.

World Book Day

To add to the excitement of 'World Book Day', FOBS delivered a surprise gift for the children (and teachers!) of every class. Each class has been gifted a **£45 Rocketship Bookshop Voucher**, to enable the children to enhance and develop their class' reading corners with the opportunity to purchase their own collaborative choice of new texts. **The Rocketship Bookshop** is Salisbury's very own independent specialist bookshop for children, located in town on Bridge Street. Supporting this local independent was also important to us, as they provide such a fantastic resource for our children to thrive from. If you haven't already visited them, pop down with the readily circulating National Book Tokens!

Upcoming: Family Chocolate Bingo

Friday 21st March – Non-Uniform Day: in exchange for chocolate donations
