Events this term

Celebration of Learning

We would like to warmly invite parents and carers to our Celebration of Learning event. This is a wonderful opportunity for your child to share their learning with you before the end of term.

Please sign in at your child's classroom door at **2:40pm on Tuesday 23rd June 2026**. At 3:05pm, a bell will ring and parents are kindly asked to make their way to the usual pick-up point, allowing pupils time to collect their belongings ready for home time.

We look forward to welcoming you! 😊

Performance Poetry

This week, you will have received a notification via Seesaw about our annual Performance Poetry event in school. Pupils are encouraged to learn a poem to perform to their class during the week beginning **Monday 22nd June**. Each class will then vote for their favourite performances, and the winning pupils will go on to perform their poems on **Monday 29th June**...there will be prizes!

This is an in-school event, and we are very much looking forward to celebrating the pupils' creativity and confidence.

Sports Day

To confirm, following the bad weather, our annual Sports Day will now take place on Thursday 18th June at 1.30pm.

Celebration Assemblies

We would like to invite EYFS and KS1 parents to a Celebration Assembly on Friday 12th June and KS2 parents on 19th June. We look forward to seeing you.

Community Appeal: Kenya School Support

Members of our local community will shortly be travelling to Kakamega County in West Kenya with a group from Salisbury Vineyard Church. They are supporting the work of RUSH (Reaching the Unreached through Self-Help), a charity which runs primary and secondary schools for children in the region.

The team depart early next week and are appealing for donations of second-hand black or dark blue school shoes suitable for children aged 4-6.

If you are able to help, please send any donated shoes into the school office for collection on Tuesday. Thank you very much for your support of this valuable cause.

SAFEGUARDING *At Broad Chalke, keeping children safe is always a priority and our safeguarding duty. The purpose of these weekly updates is to raise awareness and support you as parents.*

This week, you will have received a link via Classlist to a questionnaire about mobile phone and social media use. We would be very grateful if all members of our community could take a few moments to complete it, as this will help us to gather valuable parental views. Thank you for your support- here is the link in case you missed it [Smartphones and Social Media Parent Survey Broad Chalke Primary School June 2026 – Fill out form](#)

Please be reassured I will be announcing Teachers and Support Staff arrangements for September after our interviews next week. Thank you for your understanding.

Best wishes
