

Broad Chalke C. of E. Aided Primary School

Responsible Use of ICT and the Internet for EYFS and KS1 children

2 rules to remember:

- I will do as I am told
- I will tell a grown up if I am worried or stuck

This is how we will stay safe when we use computers:

- I will ask an adult if I want to use a computer.
- I will only use activities that an adult has told me to use.
- I will take care of the computers and other equipment.
- I will ask for help from an adult if I am not sure what to do or if I think I have done something wrong.
- I will tell an adult if I see something that upsets me onscreen.
- I understand that if I deliberately break these rules, I may not be allowed to use school ICT equipment or the Internet for a period of time.

The school may exercise its right to monitor the use of the school's systems, including access to web-sites, the interception of e-mail and the deletion of inappropriate materials where it believes unauthorised use of the school's computer system is or may be taking place, or the system is or may be being used for criminal purposes or for storing unauthorised or unlawful text, imagery or sound.
