

Whole School Theme Home Learning-Summer 2023

TIME TRAVELLERS

During the Summer term our whole school learning theme is **TIME TRAVELLERS**.

Our Collective worship themes are **JOY** & **TRUTHFULNESS**

We would like to encourage further learning at home to support these whole school themes.

Ideas for this term's home learning could include:

- Visit a museum and take photos of your favourite historical artefacts
- Record your family tree.. how far back in history can you find out about?
- Create a poster or fact file about a significant person from History- why did you choose this person?
- Choose a technological item or useful item at home and find out more about its history e.g. mobile phone, kettle, light bulb etc..
- Choose a place of interest (country or city/town). Can you research how it has changed over time?
- Research a period in British history e.g. Victorian, Medieval times, Pre-historic or Tudor. Can you also draw a timeline?
- Choose a theme and research how it has changed through the decades e.g. fashion, pop music, transport, television etc..
- Ask a grandparent/parent about what life was like for them as a child. How is this different to your life?
- Think about your own life- what are your favourite memories?
- Can you create a poster to show our British Values. Why do we have these?
- What historical facts can you find out about Broad Chalke?

Guidance- Although there is no expectation with quantity, time spent on a task or style, there is an expectation of QUALITY. We expect books to be looked after, well presented and neat.

This project can be typed (and stuck into books), written/drawn by hand or photographed

The project is compulsory for Key Stage 2 pupils and optional for Key stage 1 pupils.

Please hand in projects by **Friday 7th July 2023**
