

# **Broad Chalke CofE VA Primary School**

## **Prospectus by Year Six 2023**

# Welcome

Welcome to Broad Chalke C of E Primary School. In this school your child will learn new things and be looked after by amazing teachers. This is what our receptions have said about our wonderful school: "I like to count in maths", "I like Phonics", "I like to play with my friends.", "I love when someone come and read with me", "The teachers are kind.", "I love to play with bricks.", "I like the taste of school lunches." We hope you enjoy our prospectus created by our current year 6.

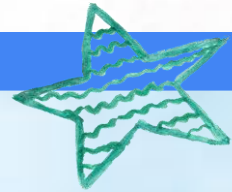

# Our School Community

Here at Broad Chalke we have a strong loving community including governors, our School Visitor Reverend Ruth and FOBSC (stands for friends of broad chalke School). On Monday morning, Wednesday afternoon, Thursday afternoon and Friday morning we have wonderful worships and assemblies.

## Terrific Teachers

All the staff at Broad Chalke are very kind and caring. The TAs at break time always look after you if you are hurt. They all have wonderful personalities but the teachers still make sure all our work is top notch! Our KS2 teachers are Mrs Newman, Miss Burden, Mrs Ramage and Miss Patterson. They are all fab! So I hope you can agree that our KS2 staff are amazing.

# A Typical Day

What do you do?

When you get to school you will do the register to make sure everyone is here. Then you get play inside and explore your class room.

What about subjects?

In class reception you will learn lots of new phonics and letters. You'll get to learn the alphabet. You'll also learn about maths through discovery time.

Lunch? your child will either eat a pack lunch or school lunch (which you book online) provided by the cooks.

## KS1 Staff

In YR, the main teacher is Miss Britton. She is friendly, kind and welcoming to new children. In Y1 we have Mrs Shelley who is gentle and understanding to the Y1s. In Y2 we also have Mrs Moriarty and Mrs Dwyer. They are both firm but fair and have exciting personalities. In each class there are at least 1 TA. YR - Mrs Pieterston + Mrs Graves. Y1 - Mrs Crosse + Mrs Roberts. Y2 - Mrs Lott. All staff in KS1 (and KS2) are very welcoming to all new children no matter who they are. All TAs across the different classes are extremely kind and helpful for the children's learning. They understand the children's needs.

KS1 Staff

# Life in Reception

## PLAYTIME

In playtime YR R students get the opportunity to play with friends. This is a chance to get to know new people and interact. Classroom play is another time to get to know new children. A YR R quoted: "I love playing with my friends in playtime."

## DISCOVERY TIME

In discovery time, the class plays. It is linked to their learning (e.g. Jack and the bean stalk they could play with beans). They can also go to the calm corner in this time to relax. Also, as a part of discovery time, the teacher may read a story to the class.

## Lovely Lunches

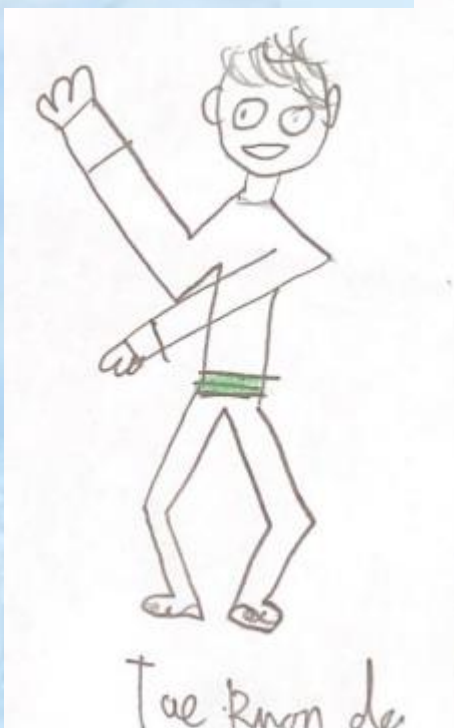

### Lunches

Lunches here at Broad Chalke are great - the puddings are yummy but healthy, and there is just the right balance of sugar and fruit in them. There is a salad bar with optional salads and sauces in it such as ketchup, potato salad and coleslaw. Some of the favourite lunches are: jacket potato, vegetable pizza, sausages and a reception favourite, pasta bolognese. The chefs are lovely and also offer vegetarian/vegan/gluten free options. Packed lunches can be eaten as well, however cooked lunches are free in Key Stage One. You can always approach the lunches ladies if you need anything during lunch.

# Cool Clubs

## Clubs

Clubs, clubs, clubs! There are a variety of clubs for the children at Broad Chalke. Here are a few of them... The well being club is full of calm activities and run by Mrs Parson. On Wednesdays, Thursdays and Fridays, Mrs Gilbert runs the Beady eyes club, which is full of craft and colour. On Mondays, Mr Lamberth runs the Tae kwon do club. Work your way through lots of coloured belts and gradings in this fun club. All our club's leaders are DBS checked (safe to work with children) and are fun and caring. We hope you enjoy all the clubs!

Football

Hockey

Cricket

# Play Times

## Playtimes

Located on the KS1 playground, there is a sensory garden for EYFS and KS1 pupils to enjoy. Filled with flowers and trees, it's a really peaceful place. If you wanted a place to rest, there are benches of 3 different heights. On the playground, there are fun activities: you can play football, hopscotch or play with skipping ropes. On the KS1 playground they have a box of toys. There are pompoms, streamers and cones. We are certain your child will enjoy it.

# Parents' Evenings

## Parents' Evening

At parents' evening you get to meet your child's teacher. You will also get to talk about your child's improvement in these years. You also get to discuss what subjects your child is doing and if they have made progress. Parents' evening is a good time to ask questions about school. You get to see what subjects your little one has been doing. You will also talk about your child's behaviour and if they are making friends.

# Super Sports

At Broad Chalke, we play a range of sports. We do cricket, hockey, rounders, netball, athletics, tag rugby and football. Sometimes we go to tournaments like football, tag rugby, quad Riks (athletics) and netball. People get picked to go to these tournaments but sometimes there are tryouts. In the month of July, we have a sports day where all of the school houses compete to win a trophy with a ribbon, which has their house colour on it, tied on the trophy. On Sports day, we do a fastest boy race and a fastest girl race, a water cup race, a relay race, hockey skills and a standing long jump.

## Marvellous Mrs Luft

Mrs Luft is our head teacher. She works very hard to make sure our school is a safe and happy place. She will always help if you feel unsafe or maybe had a squabble with your friends. Most assemblies you will see her as she usually organizes them; they are very fun as well. Sometimes Mrs Luft greets people at the gates so if you have questions you can always ask them. Mrs Luft also brings in a dog called Crumble.

# Collective Worship

In collective Worship Mrs Lupt will ask for 2 volunteers to help with the candles (the children don't actually light the candles). Most collective worships Mrs Lupt will tell us biblical stories with a moral. But if it is a sung worship we will sing about 3 hymns. At the end of every collective worship Mrs Lupt leads us in prayer thanking God for our friends and school.

# Staying Safe

It is important that we stay safe at school. All of the staff here look after the children well; you'll identify them by their blue 'staff' lanyards. We encourage all of the pupils to treat others how ~~they'd~~ like to be treated.
