

BROAD CHALKE COFE PRIMARY SCHOOL Design & Technology Curriculum

At Broad Chalke CofE Primary School, we use Kapow Primary to support our planning and teaching in Design & Technology.

<i>In EYFS, design & technology is approached in both whole class sessions as well as child-initiated learning through continuous provision. Pupils in the Early Years are encouraged to use DT as a means of expressing themselves and exploring resources. Children are provided with rich opportunities to engage with a wide range of resources to support their experimentation with how things work together, how models can be made, how food is created and where it comes from.</i>			
Y1	Mechanisms – Wheels and Axles (moon buggies)	Cooking & Nutrition – Fruit and Vegetables (Fruit Salad)	Structures – Constructing a Lighthouse
Y2	Structures – Baby Bear's chair	Mechanisms – Fairground Wheels	Cooking & Nutrition – A Balanced Diet (Healthy Wraps)
Y3	Cooking & Nutrition – Eating Seasonally (Pastry Tarts)	Structures – Constructing a Castle	Mechanical Systems – Pneumatic Toys
Y4	Digital World – Mindful Moments Timer	Electrical Systems – Torches	Cooking & Nutrition – Adapting a Recipe
Y5	Structures – Bridges	Digital World – Monitoring Devices	Mechanical Systems – Making a pop-up book
Y6	Cooking & Nutrition – Mexican Cooking	Electrical Systems – Steady Hand Game	Structures – Playgrounds
